Re: MTU Maintenance Hannover GmbH (DE.145.0008) (TCCA Approval 897-01) request for the addition of a sub-base in Nova Pazova, Serbia.

Dear Sir,

TCCA hereby authorizes the extension of the TCCA Approval 897-01 to the Nova Pazova, Serbia sub-base in accordance with the MAG provided the following actions are taken:

- 1) The TCCA supplement must identify the Nova Pazova, Serbia sub-base within the extension of their TCCA approval;
- 2) The facilities shall perform maintenance on Canadian components in accordance with the TCCA supplement;
- 3) Oversight of these facilities must be performed every 24 months in accordance with the requirements of the MAG;
- 4) Personnel performing maintenance on Canadian components must be trained on the requirements of the TCCA supplement;
- 5) If requested, provide a copy of this letter to any organisation that seeks clarification on the acceptance of these facilities.

 

Regards,
