Munich · WKN A0D 9PT · ISIN DE000A0D9PT0

We hereby invite the shareholders of our Company to attend the Annual General Meeting, which will be held on

Thursday, April 14, 2016 at 10 a.m.

at

The Westin Grand Munich

Grand Ballroom (access via separate foyer entrance)

Arabellastr. 6, 81925 Munich, Germany

Doors open from 9 a.m.

I. Agenda

1. Presentation of the adopted annual financial statements and management report of MTU Aero Engines AG and the approved consolidated financial statements and group management report for the financial year 2015, the report of the Supervisory Board and the explanatory report of the Executive Board regarding the statements pursuant to Sections 289 (4) and (5), 315 (4) of the German Commercial Code (HGB)

The documents cited above will be available for inspection on the Company's website at www.mtu.de/hv as of the date on which the Annual General Meeting is convened.

In accordance with legal provisions, no resolutions will be required with respect to this item of the agenda because the Supervisory Board has already approved the annual financial statements and the consolidated financial statements.

2. Resolution on the appropriation of net profit

The Executive Board and Supervisory Board propose that the net profit generated by MTU Aero Engines AG in financial year 2015, amounting to Euro 97,556,922.75 be appropriated as follows:

Appropriation of net profit

1. Payment of a dividend of Euro 1.70 on each non-par share entitled to receive a dividend	Euro	86,901,830.80
2. Transfer to revenue reserves	Euro	10,655,091.95
3. Profit carried forward	Euro	0.00

Treasury shares held by the Company are not entitled to a dividend. It is possible that the number of non-par

shares entitled to a dividend might change before the date of the Annual General Meeting. In this case, an appropriately modified proposal for the appropriation of net profit will be presented to the Annual General Meeting which still allows a dividend of Euro 1.70 to be paid on each non-par share entitled to a dividend.

3. Resolution on the discharge of members of the Executive Board for the financial year 2015

The Executive Board and the Supervisory Board propose that discharge be granted to the members of the Executive Board for the financial year 2015.

4. Resolution on the discharge of members of the Supervisory Board for the financial year 2015

The Executive Board and the Supervisory Board propose that discharge be granted to the members of the Supervisory Board for the financial year 2015.

5. Resolution on the Appointment of the auditor for the financial year 2016

Following the recommendation of the Audit Committee, the Supervisory Board proposes that the accounting firm Ernst & Young GmbH Wirtschaftsprüfungsgesellschaft, Munich, be appointed to audit the annual and consolidated financial statements for the financial year 2016 and to review the half-year interim report for the financial year 2016.

II. Additional information

1. Total number of shares and voting rights

At the time of convening the 2016 Annual General Meeting, the Company's capital stock consisted of 52,000,000 registered non-par shares, each representing one vote. 2. Conditions for participating in the Annual General Meeting and for exercising voting rights

In order to participate in the Annual General Meeting and exercise their voting rights, shareholders must be listed in the Company's share register and their requests to register their shareholding must be received by the Company at the latest by the end of April 7, 2016 (Thursday).

Shareholders who are listed in the share register can register their shareholding in text form (in German or English) to MTU Aero Engines AG at the following address:

or by completing the online registration form at
www.mtu.de/hv

For online registration on the website above, you will require the personal access code that is provided with your shareholders' documentation. If you intend to participate in the Annual General Meeting, please register as early as possible to facilitate the organization of the meeting. More detailed information on the registration procedure can be found in the shareholders' documentation sent to you by post or on the website mentioned above.

Banks, associations of shareholders, and other parties as defined in Section 135 AktG are not permitted to exercise voting rights for shares which they do not own and for which they are not listed in the share register as the holders, without the express authorization of the shareholder.

The shareholding listed in the share register on the date of the Annual General Meeting determines the entitlement to participate in the meeting and exercise voting rights. Please note that, for administrative reasons, no changes in share ownership will be recorded in the share register on the last three working days preceding the date of the Annual General Meeting, nor on the date of the meeting itself, meaning from April 11, 2016 (00:00 hours) up to and including April 14, 2016 (24:00 hours). Shares that have been registered for the purposes of the Annual General Meeting are not blocked. After registration, shareholders remain free to dispose of their shares as they wish, even during the above-mentioned period in which changes in share ownership are not immediately recorded.

3. Procedure for voting by proxy; proxies appointed by the Company

a) Authorization of a third party

Shareholders listed in the share register may appoint a proxy, for instance a bank or an association of shareholders, to vote on their behalf. The deadline for registration of the shares, by the shareholder or the proxy, must also be respected in this case. The text form is required for the granting and revocation of the power of attorney and for proof of the proxy's authorization where neither banks nor associations of shareholders or equivalent persons or institutions as defined in Section 135 (8) and (10) AktG are authorized.

Proof of the granted or revoked authorization can be submitted to the Company by the shareholder or proxy in text form either (i) by sending the appropriate documents to the postal address, email address, fax number or website specified in item 2 above or (ii) by presenting these documents at the reception desk on the day of the Annual General Meeting. No documentation is required to revoke a previously granted power of attorney if the shareholder attends the Annual General Meeting in person.

For the authorization of banks, associations of shareholders or equivalent persons or institutions as defined in Section 135 (8) and (10) AktG and for the revocation and proof of such authorization and revocation, the legal requirements, especially Section 135 AktG, apply. Please also consider, where necessary, the rules issued in that respect by the banks, associations of shareholders or other equivalent persons or institutions.

b) Authorization of proxies appointed by the Company

Alternatively, we offer you the option of being represented at the Annual General Meeting by an employee of the Company, charged with voting on your behalf in accordance with your instructions. In this case, you

must grant power of attorney to the proxy and provide instructions on how you wish your voting rights to be exercised. These proxies are obligated to vote as instructed.

Documentary evidence of the powers of attorney and voting instructions issued to proxies appointed by the Company, the revocation of the same, and proof of the proxy's authorization can be submitted in text form to the Company up to the end of April 13, 2016 (Wednesday), the day before the Annual General Meeting. Shareholders can also use the online system for powers of attorney and voting instructions available at www.mtu.de/hv. Please note that the option of granting power of attorney to proxies appointed by the Company and acting under your instructions is available only to shareholders who register their shareholding for the purposes of the Annual General Meeting no later than the end of April 7, 2016. No documentation is required to revoke a previously granted power of attorney or annul the instructions issued to the proxy if the shareholder or another authorized third party attends the Annual General Meeting in person.

Please note that proxies appointed by the Company are not allowed to accept instructions requiring them to speak to the assembly, or ask questions, or propose motions, and are not allowed to vote on procedural motions or unannounced motions proposed by shareholders.

Further details, including forms for granting powers of attorney and issuing instructions to proxies, are included in the information to shareholders enclosed with the invitation to the Annual General Meeting.

4. Procedure for exercising voting rights by means of a postal vote

Shareholders listed in the share register who are unable to attend the Annual General Meeting in person have the further option of exercising their voting rights by means of a postal vote. This option is also available to banks, associations of shareholders, and equivalent parties as defined in Section 135 AktG.

In order to exercise their voting rights by means of a postal vote, shareholders must register in due time, as specified in item 2 above (“Conditions for participating in the Annual General Meeting and for exercising voting rights”), at the latest by the end of April 7, 2016.

Shareholders who have registered in due time for the Annual General Meeting may submit their postal votes, or modify or withdraw previously submitted postal votes, up to the end of April 13, 2016 (Wednesday), whereby the Company must have received them by this date. Postal votes may be submitted in text form or online to one of the addresses specified for registration in item 2 above.

Votes that have been cast by means of a postal vote are invalidated if the shareholder attends the Annual General Meeting in person or is represented at the meeting by a proxy.

Please note that it is not possible to use the postal voting procedure to vote on a countermotion submitted in the course of the Annual General Meeting, nor to submit nominations. Similarly, it is not possible to use the postal voting procedure to address the assembly, ask questions or propose motions.

Further details, including forms for postal voting, are included in the information to shareholders enclosed with the invitation to the Annual General Meeting.

5. Additions to the agenda, motions, nominations and requests for information by shareholders
